

I am passionate about one thing – to help the most innovative companies in Europe to succeed! As I have founded and sold a start-up myself (<https://www.cisco.com/c/en/us/about/corporate-strategy-office/acquisitions/solvedirect.html>) I know how frustrating it can be to raise money! I also strongly believe that the time you spent on getting the right investors in is too much compared to US or China. So if we want to win the race we need to shorten the time frame from 6 months to 6 weeks! That is what I am committed to do and why I work with PKF Consulting as a managing partner. I have experience over 25 years in corporate finance and M&A.
